Memories

Finally, we have made it to the year 2000! William Carey College has a rich history that is well worth remembering. This yearbook, **Memories of the Millennium**, was put together with the hopes of recording some of the events of our history. Memories are wonderful to have, and are even better when they can be kept for a lifetime.

MEMORIES

Hattiesburg

William Carey College, in Hattiesburg, was first known as South Mississippi College in 1906, and later became Mississippi Women's College

A picturesque and historic site on the campus of Hattiesburg.

This was the first step in Hattiesburg's development for education. Now, almost ninety-four years later, William Carey is better than ever, and on the way to having an even better millennium.

Bass Hall, looking better than ever.

"Looks a little deserted?"

"The Chain Garden" of leaves.

Memories

Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in Psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord.

The Lord is on my side; I will not fear what can man do unto me? Psalms 118:6

This is the day which the Lord hath made; we will rejoice and be glad in it. Psalms 118:6

Coast

The Coast Campus looks out onto the Gulf of Mexico. It is the second largest of the three William Carey Campuses.

Campus

This is the place to go for fun and fishing. Its twenty-four acre campus is just another great spot for making memories.

New Orleans

New Orleans is the smallest campus of William Carey. Even so, it still has a history of memories to be treasured and more to be made.

Campus

It is the only campus outside of Mississippi. It makes it home in Louisiana.

Memories

Our memories are not exclusive to that of William Carey College, but of the entire world. In our lifetime we have seen many events that have changed our world, some joyous and some heartbreaking. Here is a look at both our history and our future.

JFK assassinated on November 22, 1963, in Dallas, Texas.

Around the

U.S. launched attack on Kuwait on January 17, 1991.

The deaths of two prominent women of our world Princess Diana and Mother Teresa, 1997

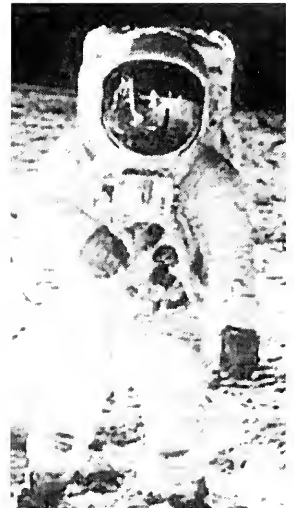

Around the

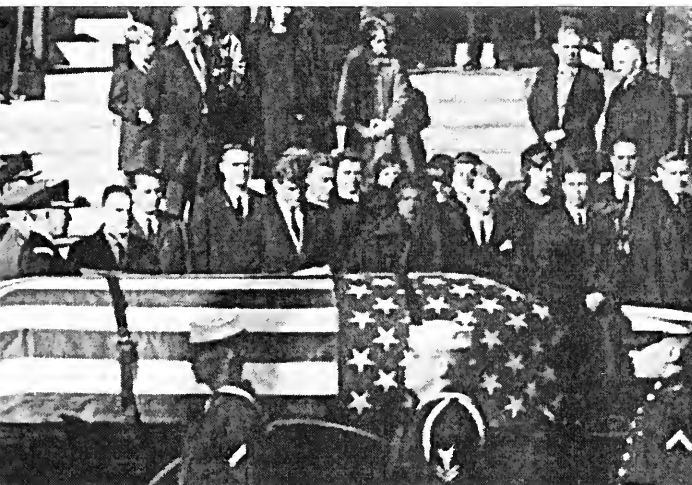

In 1985 the end of the Cold War is marked by the fall of the Berlin Wall.

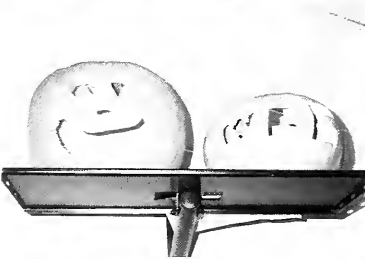

In 1969 Neil Armstrong was the first man to walk on the moon.

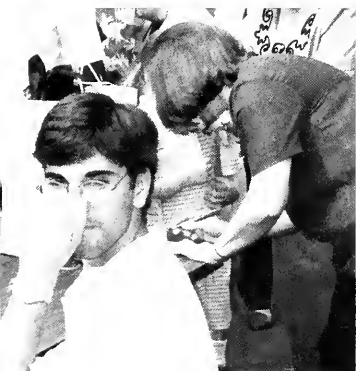

World

The marks left from our history are all around us. They permeate every aspect of our culture and our very being. Our culture and our lives are built upon the events of our world.

Mississippi was first inhabited by three major Indian tribes; the Chickasaws, the Choctaws, and the Natchez Indians. Hernando DeSoto, a Spanish explorer, was the first European to discover Mississippi. On December 10, 1817, Mississippi is admitted into the Union as the twentieth state. David Holmes is the first Governor. In 1969 Hurricane Camille kills 144, injures 9472, and leaves extensive damage. In 1995 Governor Kirk Fordice makes history as the first Governor elected to two consecutive terms in more than one hundred years.

Attempt Great things
From God

William Carey offers a beautiful campus with fountains, the Chain Garden, and a fishpond.

Memories are being made each and every day at William Carey for faculty and students.

William Carey

Carey College is distinct in the emphasis given to the student's development of a Christian philosophy of life. At Carey, the student is not only seeking an understanding of his world but also an understanding of himself, and of his God.

Yesterday is gone.
Tomorrow is in the lap of today.

Hope Project

The Hope Project is a community service organization designed to give students the opportunity to participate in community service. This year we conducted a Carey Kids Carnival where the students made booths and the Boys and Girls Club brought children to enjoy the fun! The Hope Project also promoted cleanup projects on the campus at Carey.

WCC Brag Sheet

Theatre

Joseph Brack, a junior theatre major from Whitman, Mass., won the Kennedy Center/American College Theatre Festival" (KC/ACTF) national Barbizon Award in Costume Design for his work in WCC's production of "Crow and Weasel." His work, along with the seven other regional winners, was exhibited at the Kennedy Center in Washington, D.C. His award includes a cash prize; a week-long, all-expense paid trip to New York City; and publication of his work in the national journal of the United States Institute of Theatre Technology.

For the third time in the last four years, the WCC production of "Crow and Weasel" was named a KC/ACTF regional finalist. The production was performed at the state festival in Biloxi. It was strongly recommended to advance to the regional festival in Greensboro, N.C.

Jonathan Pope Evans, a 2000 graduate of Carey with a degree in theatre, received an assistantship to attend the prestigious film school at California Institute of the Arts. Beginning in the fall, he will study acting and directing. The recipient of the Serampore Players Most Valuable Member Award (the highest honor the theatre bestows) he served as choreographer for the 2000 season of Carey Dinner Theatre. Jonathan also received an Irene Ryan Acting Award nomination for his performance of Crow in "Crow and Weasel" for which he also served as choreographer.

Forensics

While successfully defending its third place ranking in the nation, the WCC speech and debate (forensics) squad has produced a national champion debate team. Jason Ruiz of Gulfport and Ron Durbin of Laurel were crowned national parliamentary debate champions at the Pi Kappa Delta national tournament, which was held in St. Louis, Missouri. At the same tournament the team finished third overall.

Carey's forensics team, which annually travels to a number of tournaments throughout the region and nation and often places first in competitions, has not finished lower than third in an invitational tournament since fall of 1995.

President's yearbook address

Far better it is to dare mighty things to win glorious triumphs, even though checkered by failure, than to take rank with those poor spirits who neither enjoy much nor suffer much, because they live in the gray twilight that knows not victory nor defeat.

*Theodore Roosevelt in a speech
before the Hamilton Club, Chicago, 1899*

William Carey, the pioneer missionary, "dared mighty things" and endured disappointing failures; however, he persevered, and is credited for beginning the modern missionary movement. Our college continues to dare and "to win glorious triumphs." This year has seen the college reaffirmed by the Southern Association of Colleges and Schools. You, also, have dared, taken risks, exhibited courage. Along the way, you have suffered setbacks and delays. You have overcome obstacles. But you did not settle for the status quo. You are to be commended for your efforts, for your desire to "reach your highest potential." As you leave, my prayer is that you will always walk in sunlight, and that your sojourns in twilight will be but brief, learning experiences.
